

GRAFFITI RELEASE FORM

Graffiti is a major problem in the South Side community. If not removed, graffiti can cause blight, increase criminal activity, reduce property values, and give the impression that the South Side is not committed to providing clean and safe environments for residents and visitors. The South Side is dedicated to improving quality of life for all. To help achieve this goal, the South Side Community Council's Graffiti Watch seeks your permission to remove graffiti from your property.

I _____, am the owner of the property located at the following address:

As the owner of the property, I am not required to obtain anyone else's consent to permit work to be performed or to sign this form. I give permission for the South Side Community Council's Graffiti Watch and their agents and contractors to come on my property to remove or cover the graffiti using methods they decide are best. I release the Graffiti Watch and their agents and contractors from any claims or damages related to the Graffiti Work on my property.

I understand that for the most part only the area covered by graffiti will be cleaned or painted and not necessarily the entire building. I understand that there are no promises being made to me about the color or quality of the services or material used in doing this Graffiti Work. I also understand that by signing this form I give the Graffiti Watch and its agents and contractors permission to remove the graffiti from my property but that they are not obligated to do so. I also understand that if graffiti returns to my property during the time period checked below, the Graffiti Watch and its agents and contractors may also remove this graffiti but has no obligation to do so.
